EXPLANATION OF RESOLUTIONS

The notes on the following pages give an explanation of the proposed resolutions.

Resolution 1
Report and Accounts
The directors of the Company are required to present the Annual Report and Accounts to the meeting.

Resolution 2
Directors’ Remuneration Policy
This resolution is inviting shareholders to vote on the Director’s Remuneration Policy which can be found on pages 89 to 96 of the Company’s Annual Report and Accounts. This Policy, which is subject to a binding shareholder vote at least every three years, sets out the Company’s proposed forward-looking policy on directors’ remuneration. The intention is that if approved, the Policy will legally take effect from the date of the AGM (13 July 2017).

Resolution 3
Directors’ Remuneration Report
This resolution is the annual resolution inviting shareholders to vote on the Directors’ Remuneration Report (excluding the Directors’ Remuneration Policy), which can be found on pages 87 to 111 of the Company’s Annual Report and Accounts. This sets out details of payments made to directors in the year to 31 March 2017. The directors must include specific information within the Directors’ Remuneration Report in accordance with regulations and the Directors’ Remuneration Report has been prepared accordingly. This vote is advisory only.

Resolution 4
Final dividend
The Board recommends that shareholders approve a final dividend in respect of the year ended 31 March 2017 of 28.4p per ordinary share.

Resolutions 5 to 15
Election and re-election of directors
In accordance with the UK Corporate Governance Code, all of the continuing directors will retire at the AGM and all are offering themselves for re-election.

Biographical details of all directors standing for election or re-election at the AGM can be found on pages 8 to 9 of this document and at www.burberryplc.com. The Board is satisfied that each of the directors standing for election or re-election continues to perform effectively and demonstrates commitment to his or her role, including commitment of time for Board and committee meetings and any other duties.

Resolutions 16 and 17
To authorise the reappointment of PricewaterhouseCoopers LLP as auditors and to determine their remuneration
At every general meeting at which accounts are presented to shareholders, the Company is required to appoint auditors to serve from the end of the meeting until the next such meeting. PricewaterhouseCoopers LLP (‘PwC’) have indicated that they are willing to continue as the Company’s auditors for another year. The Audit Committee has reviewed PwC’s effectiveness and recommends their reappointment. The resolutions authorise the Company to reappoint them and, following normal practice, to authorise the Audit Committee to determine their remuneration.

Resolution 18
Political donations
This resolution seeks authority from shareholders for the Company and its subsidiaries to make donations to EU political parties, other political organisations or independent electoral candidates, or incur EU political expenditure. It is the Company’s policy not to make donations to political parties and the Company has no intention of altering this policy. However, the definitions in the Act of ‘political donation’, ‘political organisation’ and ‘political expenditure’ are broadly drafted. In particular, they may extend to bodies such as those concerned with policy review, law reform, representation of the business community and special interest groups, which the Company and its subsidiaries may wish to support. Accordingly, the Company is seeking this authority to ensure that it does not inadvertently commit any breaches of the Act through the undertaking of routine activities which would not normally be considered to result in the making of political donations. The aggregate amount of expenditure permitted by this authority will be capped at £25,000.

Resolutions 19 and 20
Authorities to allot shares and disapply pre-emption rights
Resolution 19 would give the directors the authority to allot ordinary shares (or grant rights to subscribe for or convert any securities into ordinary shares) up to an aggregate nominal amount equal to 72,330 (representing 144,660,000 ordinary shares). This amount represents approximately one-third of the issued ordinary share capital (excluding treasury shares) of the Company as at 17 May 2017, being the latest practicable date prior to publication of this Notice.

The directors have no current plans to issue shares other than in connection with employee share schemes. The Company currently holds 6,793,155 shares in treasury which represents approximately 1.55% of the ordinary share capital (excluding treasury shares) as at 17 May 2017.
Resolution 20 would give the directors the authority to allot ordinary shares (including any ordinary shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings. This authority would be limited to allotments or sales in connection with rights issues or other pre-emptive offers, or otherwise up to an aggregate maximum nominal amount of £10,959 (representing 21,910,000 ordinary shares). This aggregate nominal amount represents approximately 5% of the issued ordinary share capital of the Company as at 17 May 2017, the latest practicable date prior to publication of this Notice. In respect of this aggregate nominal amount, the directors confirm their intention to follow the provisions of the Pre-emption Group’s Statement of Principles regarding cumulative usage of authorities within a rolling three-year period where the Principles provide that usage in excess of 7.5% should not take place without prior consultation with shareholders.

The authority sought under this resolution is a standard authority taken by most listed companies each year. The directors consider that it is in the best interests of the Company and its shareholders generally that they should have the flexibility conferred by the above authorities to make small issues of shares for cash (on a pre-emptive or, where appropriate, a non pre-emptive basis) as suitable opportunities arise, although they have no present intention of exercising any of these authorities.

The authorities sought under resolutions 19 and 20 will expire on the conclusion of the AGM to be held in 2018 (or, if earlier, 13 October 2018).

Resolution 21
Purchase of own shares
This resolution seeks shareholder approval for the Company to make market purchases of up to 43,838,000 ordinary shares, being just under 10% of the issued share capital (excluding treasury shares) as at 17 May 2017 and specifies the minimum and maximum prices at which the ordinary shares may be bought.

In certain circumstances it may be advantageous for the Company to purchase its own shares and the directors consider it to be desirable for the general authority to be available to provide flexibility in the management of the Company’s capital resources. Purchases of the Company’s own shares will be made if to do so would be in the best interests of the Company and of its shareholders generally, and would result in an increase in earnings per share. From July 2016 to April 2017, the Company completed a buyback programme of £100m of a £150m announced share buyback. A further share buyback of £300m will be completed in FY 2018, in addition to the £50m already announced. Any such purchases of shares would be by means of market purchases through the London Stock Exchange.

The Company may either retain any of its own shares which it has purchased as treasury shares with a view to possible use at a future date or cancel them. Holding the shares as treasury shares gives the Company the ability to use them quickly and cost-effectively and would provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of treasury shares.

It is the Company’s current intention that of any shares repurchased under this authority, sufficient shares will be held in treasury to meet the requirements, as they arise, of the Company’s share incentive arrangements, with the remainder being cancelled.

The total number of awards and options to subscribe for ordinary shares outstanding as at 17 May 2017 (being the latest practicable date prior to the publication of this Notice), was 8,494,848 representing approximately 1.94% of the issued share capital (excluding treasury shares) at that date. If the existing share purchase authority given on 14 July 2016 (to the extent not already utilised) and the authority being sought under this resolution were utilised in full, the issued share capital would be reduced by an equivalent amount and the outstanding awards and options would represent approximately 2.38% of the issued share capital as at 17 May 2017. No warrants over ordinary shares in the capital of the Company are in existence as at 17 May 2017.

This authority will expire at the conclusion of the AGM to be held in 2018 (or, if earlier, 13 October 2018).

Resolution 22
Notice of general meetings
This resolution seeks to renew an authority granted at last year’s AGM to allow the Company to call general meetings, other than an AGM, on 14 clear days’ notice. Changes made to the Act by the Shareholders’ Rights Regulations increase the notice period required for general meetings of the Company to 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days (AGMs will continue to be held on at least 21 clear days’ notice). Prior to the Shareholders’ Rights Regulations coming into force, the Company was able to call general meetings, other than an AGM, on 14 clear days’ notice without obtaining such shareholder approval.

The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole.

The approval will be effective until the Company’s next AGM to be held in 2018 (or, if earlier, 13 October 2018).

Entitlement to attend and vote
2. To be entitled to attend and vote at the AGM (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered on the register of members of the Company at 6.30pm on Tuesday, 11 July 2017 (or, in the event of any adjournment, 6.30pm on the date which is two working days before the time of the adjourned meeting). Changes to the register of members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

3. To be admitted to the AGM, members are asked to present their Admission Card (which is attached to the Form of Proxy) or present proof of identity.

4. On arrival at the place of the AGM, all those entitled to attend and vote will be required to register and collect a Poll Card.

5. All resolutions at the AGM will be decided by poll. The directors believe a poll is more representative of shareholders’ voting intentions because shareholders’ votes are counted according to the number of shares held and all votes tendered are taken into account.

Appointment of proxies
6. Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting.

7. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A Form of Proxy which may be used to make such appointment and give proxy instructions accompanies this Notice. If you do not have a Form of Proxy and believe that you should have one, or if you require additional forms, please contact Equiniti on 0371 384 2839. Lines are open 8.30am to 5.30pm, Monday to Friday. The Equiniti overseas helpline number is +44 121 415 7047.

8. To be valid, any Form of Proxy or other instrument appointing a proxy must be received by the Company’s Registrar, Equiniti, by no later than 10.30am on Tuesday, 11 July 2017. Please send the completed Form of Proxy to Equiniti, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA or visit www.sharevote.co.uk and follow the instructions provided.

9. In the case of a member which is a company, the Form of Proxy must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company.

10. Any power of attorney or any other authority under which the Form of Proxy is signed (or a duly certified copy of such power or authority) must be included with the Form of Proxy.

11. The return of a completed Form of Proxy, other such instrument or any CREST Proxy Instruction will not prevent a shareholder attending the AGM and voting in person if they wish to do so.
12. Unless voting instructions are indicated on the Form of Proxy, a proxy may vote or withhold his vote as he thinks fit on the resolutions or on any other business (including amendments to resolutions) which may come before the meeting. Please note that a 'vote withheld' (as it appears on the proxy or voting instruction form) is not a vote in law and will not be counted in the calculation of the proportion of votes ‘for’ or ‘against’ a resolution.

13. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company’s register of members in respect of the joint holding (the first-named being the most senior).

14. If more than one valid proxy appointment is submitted, the appointment received last before the latest time for the receipt of proxies will take precedence.

**Appointment of proxies through CREST**

15. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

16. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a ‘CREST Proxy Instruction’) must be properly authenticated in accordance with Euroclear UK & Ireland Limited’s specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Equiniti (ID RA19) by 10.30am on Tuesday, 11 July 2017. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

17. CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

18. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

**Nominated persons**

19. Any person to whom this Notice is sent who is a person nominated under section 146 of the Act to enjoy information rights (a ‘Nominated Person’) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, they may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

20. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 6 and 7 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.

**Corporate representatives**

21. Any corporate shareholder may appoint one or more corporate representative(s) who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.
Questions at the AGM
22. Any member attending the meeting has the right to ask questions. The Company must cause to be answered at the AGM any question relating to the business being dealt with at the AGM which is put by a member attending the meeting, except in certain circumstances, including: (i) if it is undesirable in the interests of the Company or the good order of the meeting that the question be answered; (ii) if to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; or (iii) the answer has already been given on a website in the form of an answer to a question.

Issued shares and total voting rights
23. As at 17 May 2017 (being the latest practicable date prior to the publication of this Notice) the Company’s issued share capital (excluding treasury shares) consists of 438,380,311 ordinary shares, carrying one vote each. Therefore, the total voting rights in the Company as at 17 May 2017 are 438,380,311.
