VERSION OCTOBER 2014

I.0 INTRODUCTION

Burberry's Product Restricted Substances List (PRSL)¹ details the chemical restrictions applicable to any finished product or raw material used in either apparel or non-apparel product, including footwear, and which is supplied directly or indirectly to Burberry.

It remains the responsibility of Burberry partners to comply with all applicable legislations by each country/state where the partner conducts business in the event such legislation is not covered within this PRSL.

Burberry Group PLC, London, October 2014

¹ Burberry retains the right to update the PRSL periodically and will ensure any new materials of concern that may be highlighted by Regulatory bodies and Industry experts are included accordingly
