Certain statements made in this presentation are forward-looking statements. Such statements are based on current expectations and are subject to a number of risks and uncertainties that could cause actual results to differ materially from any expected future results in forward-looking statements. Burberry Group plc undertakes no obligation to update these forward-looking statements and will not publicly release any revisions it may make to these forward-looking statements that may result from events or circumstances arising after the date of this document. Nothing in this presentation should be construed as a profit forecast. All presentation does not constitute an invitation to underwrite, subscribe for or otherwise acquire or dispose of any Burberry Group plc shares, in the UK, or in the US, or under the US Securities Act 1933 or in any other jurisdiction.

All metrics and commentary in this presentation exclude adjusting items unless stated otherwise. Details of adjusting items are contained in Note 4 of the Condensed Consolidated Interim Financial Statements.

Underlying performance is presented in this presentation as, in the opinion of the Directors, it provides additional understanding of the ongoing performance of the Group. Underlying performance is calculated before adjusting items and removes the effect of changes in exchange rates compared to the prior period. This takes into account both the impact of the movement in exchange rates on the translation of overseas subsidiaries' results and also on foreign currency procurement and sales through the Group's UK supply chain.

Comparable sales is the year-on-year change in sales from stores trading over equivalent time periods and measured at constant foreign exchange rates. It also includes online sales.

Certain financial data within this presentation have been rounded.
